New applicants and current trainees

If you are a continuing network trainee you will have previously been advised of your hospitals allocation for next year. To allow medical recruiters to identify you as a network trainee please preference as below, you do not need to complete preferences 2-5. New applicants are required to preference as below in Section 10 “RMO preferences” in the RMO application.

Facility: College/Pathway/Network (Determined)

Position status: Full Time

Position: Registrar

Specialty: Paediatrics

Sub-specialty: Basic Paediatric Training

Note: In this part of the application, **you must select ‘Position status - Full Time’**. If you selected ‘Yes’ to the network question – ‘Are you interested in a part time position, or a job share arrangement?’ – your response will still be considered.

Non-network positions

In the event that you are unsuccessful in obtaining a network position, you may wish to be considered for a non-network paediatric position. It is recommended that you complete Section 10, RMO **preferences, 2-5** for non-network paediatric positions by nominating a facility and a position, e.g. Registrar, PHO or SHO in paediatrics.
