

Urology preference guide

RMO and Registrar Campaign

Selection to the SET training program in Urology is administered by the [Urological Society of Australia and New Zealand](#), in conjunction with the [Royal Australasian College of Surgeons](#).

In Queensland, for an employment contract to be issued by your allocated training facility, applicants **MUST ALSO** submit an application via the [RMO Campaign](#) and preference as per below.

RMO application: Step 10 Preferences

At **Step 10: Preferences** of the online RMO application, to be considered you **MUST** complete your preference by selecting the following:

The image shows a screenshot of an online application form for Step 10: Preferences. It contains five dropdown menus, each with a red asterisk indicating it is a required field. The first dropdown, 'What is your first preferred facility?', has 'College/Pathway/Network (Determined)' selected and is highlighted with a red box. The second dropdown, 'What is your first preferred position status?', has 'Full Time' selected. The third dropdown, 'What is your first preferred position?', has 'Registrar' selected. The fourth dropdown, 'What is your first preferred Specialty?', has 'Surgery' selected. The fifth dropdown, 'What is your first preferred Sub-Specialty?', has 'Urology' selected and is also highlighted with a red box.

You have 5 preferences available to use for positions, it is recommended that you utilise a lower preference to indicate which positions you may be interested in if you are not selected to your preferred position. You can search for alternative vacancies by using the [Position search tool](#) on the RMO website.

For further information on the individual facilities including contact details, please refer the [Participating hospital contacts and profiles](#) page on the [RMO Campaign website](#).
