

Ear, Nose & Throat, Ophthalmology and Dermatology Senior House Officer Positions 2025

Princess Alexandra Hospital

Eligibility for an SHO role requires candidates to have completed 12 months as a JHO

Ear, Nose & Throat (ENT)

12-month full-time SHO positions consisting 6 months ENT SHO and 6 months clinical rotations.

The purpose of our specialised ENT SHO roles is to participate in the provision of clinical care of Ear, Nose and Throat inpatients and outpatients of The Princess Alexandra Hospital. PGY3 candidates with an interest in pursuing ENT or other surgical training are encouraged to apply. The unit serves primarily as a tertiary referral hospital for head and neck cancer and skull base surgery.

Successful candidates will provide support to rotating JHOs within ENT during their 6-month ENT rotation to ensure smooth handover between terms and maintaining excellent provision of care for complex head and neck, skull base patients.

How to apply: Preference this position 1st in the RMO campaign by entering the following sequence:

- **Princess Alexandra Hospital > Full Time > SHO > Surgery > Ear Nose & Throat (Surg)**

Ophthalmology

6-month full-time SHO positions

A limited number of dedicated Ophthalmology full-time SHO positions are available. Successful candidates are usually selected for a 6-month role. PGY3 candidates with an interest in Ophthalmology are encouraged to apply.

How to apply: Preference this position 1st in the RMO campaign by entering the following sequence:

- **Princess Alexandra Hospital > Full Time > SHO > Ophthalmology > None (Ophthal)**
